Canon

imageFORCE 1440F / 1440P

imageFORCE 1440F

- Monochrome Multifunction Desktop Printer (1440F) / Monochrome Single-function Desktop Printer (1440P)
- Prints up to 42 ppm (BW, Letter)
- Scans up to 100/80 ipm (300 dpi, BW/Color, Duplex)[1]
- Up to 900 Sheet Maximum Paper Capacity
- Supports Paper Sizes up to 8-1/2” x 14” (Legal Size)
- Supports uniFLOW Online

THE POWER OF NEXT

To push the boundaries of what's possible, you must be bold. The **Power of Next** represents Canon's latest phase of ambitious and advanced print innovation with the comprehensive line-up of imageFORCE technology. This highly productive lineup is designed to help you **print better**, **do more**, and **stay ahead** in today's digital workplace. Backed by a strong commitment to the *Kyosei* philosophy—which promotes living and working together for the common good—Canon ushers in a new era of printing.

imageFORCE 1440 SERIES

Elevate your office productivity with Canon's imageFORCE 1440 Series—the smart choice for fast, efficient, and space-saving black-and-white printing and scanning.[1] Available in both multifunction and single-function models, these devices are great for organizations that demand reliable performance and effortless integration across their compatible print fleet. Built on Canon's cutting-edge imageFORCE platform, the 1440 Series delivers advanced security features and seamless connectivity capabilities. All in a space-saving package tailored to help elevate your business.

PRINT BETTER

Produce sharp, high-quality black-and-white prints with the speed, precision, and reliability you expect from Canon devices—engineered to help you handle your everyday workload with ease.

QUALITY AND RELIABILITY

Reliable Performance, Every Day
Powered by Canon's trusted technology, the imageFORCE 1440 Series is designed to deliver crisp, reliable monochrome output with consistent performance.

Vivid Image Quality
Advanced imaging technology and toner formulation help provide sharp, high-quality black-and-white prints.

Maximized Uptime
Designed for continuous productivity, featuring real-time status alerts, effortless supply replenishment, and intuitive maintenance prompts for common tasks like consumables replacement.

High-Speed Precision Delivers Clear Outputs
To help user achieve up to 1200 dpi (equivalent) image quality at high speeds, the system increases laser exposure frequency to help you produce prints that are sharp, detailed, and consistent.

HELP EXPAND PRINT EFFICIENCY WITH WORKFLOW SOLUTIONS

Manage tasks, track costs, and print and scan all on one platform with the optional uniFLOW Online solution, a powerful cloud-based solution that helps to reduce IT workload and adds flexibility to your print environment.

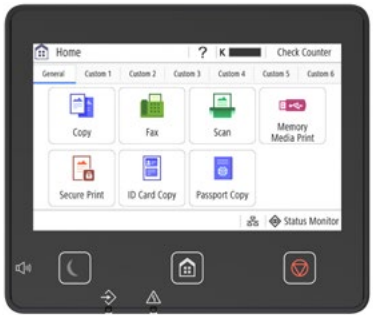
PRINT BETTER, BUILT TO PERFORM

The imageFORCE 1440 Series is designed for reliable performance in compact spaces, combining durability with a modern, intuitive user experience.

DO MORE

INTUITIVE WORKFLOWS FOR EVERYDAY USE

Help elevate daily efficiency with seamless workflows, simple and intuitive print technology, integrated solutions, and flexible media handling.



SIMPLE USER INTERFACE

The imageFORCE 1440 Series features a consistent and intuitive interface that makes operation easy—whether you're printing, scanning[1], or managing settings.

- 5-inch responsive touchscreen with a sleek, modern layout.
- Icon-based navigation for quick access to key functions.
- Customizable settings for language, accessibility, and display preferences.

WORKFLOW EFFICIENCY

- Supports mobile print solutions such as Apple AirPrint, Canon PRINT, Mopria, and uniFLOW Online, Universal Print.[2]
- Supports popular cloud services such as Google Drive and One Drive, Dropbox.[3]
- Scan and convert documents to searchable digital files in a variety of formats, including PDF/A.[1]
- Application Library Platform streamlines workflows by offering a customized device experience that boosts productivity and ease of use.
- Easily scan to and print from cloud services or email directly from the device's 5-inch touchscreen interface (scanning only available for imageFORCE 1440F model).

CLOUD READY SOLUTIONS

Canon's imageFORCE platform supports seamless integration with a variety of cloud storage services and third-party software. The imageFORCE 1440 Series is compatible with Canon's optional uniFLOW Online and other solutions that are designed to help streamline document workflows, security features, and simplify fleet management. With support for scan-to-cloud,[1] mobile printing, and remote device monitoring, it's built for today's connected work environments.

GAIN CONTROL OF YOUR FLEET

Centralize the management of your print fleet and help maximize uptime with the support of imageWARE Enterprise Management Console. imageWARE Enterprise Management Console helps to monitor device status and consumables, apply security settings, update firmware, capture meter readings, and much more—virtually anytime and anywhere.

HASSLE-FREE SETUP AND MAINTENANCE

Canon U.S.A.'s range of Smart Services are available are designed to help support you at every stage of the device management life cycle. Benefits include:

- Setting up and deploying your devices quickly.
- Enabling proactive service and fast issue resolution.
- Access upgrades and replace parts with ease.

PRINTING THAT PERFORMS. SCANNING THAT DELIVERS.

Performance doesn't need to stop at print. The imageFORCE 1440F is equipped with a high-speed, single-pass duplex scanner that captures up to 100/80 images per minute (300 dpi, black-and-white and color). Whether you're scanning reports, ID cards, or everyday documents, the device is designed to deliver clean, high-resolution results that you can integrate seamlessly into your digital workflows. With support for searchable file formats, cloud destinations, and compact media like business cards, the imageFORCE 1440F is built to simplify document capture and help streamline your day-to-day tasks.

STAY AHEAD

SECURITY-FOCUSED FEATURES. LOW-IMPACT DESIGN.

Make the move forward with cutting-edge print technology that is built to help your organization be more productive, and more prepared for the unexpected.

SECURITY FEATURES DESIGNED TO HELP SAFEGUARD YOUR INFRASTRUCTURE

Implement security features designed with the modern workplace in mind. These include:

- Minimizes the risk of confidential data exposure by temporarily storing documents in short-term memory only.
- Enhances document security with a "Send-to-Myself Only" restriction to limit unauthorized distribution.[1]
- Verify System at Startup is a process to help verify the validity of the device firmware and Application Library from unauthorized modifications. Includes automatic recovery of firmware.[4]
- With imageWARE Enterprise Management Console Device Configuration Manager Plug-in, security settings can be captured and exported to other devices on the same network.[5]
- Manage access and enforce usage policies remotely with optional uniFLOW Online integration.
- SIEM Integration[6] provides the ability to integrate your print devices into your compatible security and event monitoring strategy.

BUILT WITH SUSTAINABILITY FEATURES

From thoughtful design to efficient energy use, Canon's commitment to the environment can be seen with the imageFORCE series of printers. Features include:

- A combination of highly efficient fusing technologies and low-melting-point toner helps to minimize power requirements and achieve low energy consumption.
- Promotes smarter work habits with customizable settings that help reduce paper use.
- EPEAT Silver and ENERGY STAR® certified.

CONFIGURATION OPTIONS

imageFORCE 1440F/1440P

imageFORCE 1440F

imageFORCE 1440P

OPTIONAL CASSETTE-AH1

- 550-Sheet Capacity
- 44.4 lb. Bond to 74 lb. Cover
- Supports up to Legal sized paper

Accessories

Card Readers[7]

MiCard Readers[8]
Proximity card reader designed to be used with uniFLOW for card authentication.

Copy Card Reader-F1[1]/ Copy Card Reader Attachment-J1[1]
Department ID authentication with Canon magnetic stripe cards.

Print Accessories

Barcode Print Kit-E1
Installs bar code fonts for bar code printing.

Send PDF Security Kit-E1[1]
Send encrypted PDFs and add digital device signatures.

Extended Service Packs

Canon eCarePAK
Canon Extended Service Plans offer coverage beyond the standard one-year limited warranty[9] for up to four years.

GENUINE® CONSUMABLES

Toner T13
(Yield up to 10,600 Pages)

Canon GENUINE ink and toner are engineered to help your Canon printers perform at their best. The exceptional design of GENUINE products can help your Canon printers deliver consistent, reliable performance and produce vibrant output.

Toner yielding 2,700 pages is included in the box.
